Located 4 blocks North of Broadway, Alpine North is tucked back away from the traffic and noise. It's approximately 2 blocks from the Big Lake. There's lots of activities in the summer, but the winter has got the ice fishing Fishapoolza with \$180,000 in prizes and snowmobiling, and cross country skiing. Forest Lake still has the atmosphere of a small town but it's got the shopping of a big suburb. It's a great place to live and commute.

The apartments have lots of storage space in the kitchen, even a window. They're light and bright. Huge dining room or whatever you want it to be. Walk-in closets, ceiling fans, a/c too. There's a large laundry room with storage lockers available. There are also garages available.
